Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Mr. Yi requested reconsideration of the Examiner's decision to not enter Applicant's after-final amendment. Mr. Yi felt that adding the features of dependent claim 33 to independent claim 31 made it suitable for appeal. After re-consideration, the Examiner re-asserted that the proposed amendment would change the scope of the claim and the grounds of the rejection, and a request for continuation would be necessary to have the after-final amended claims entered.
